GREAT SMOKY MOUNTAINS NATIONAL PARK

More people visit Great Smoky
Mountains National Park each year
than any other national park!

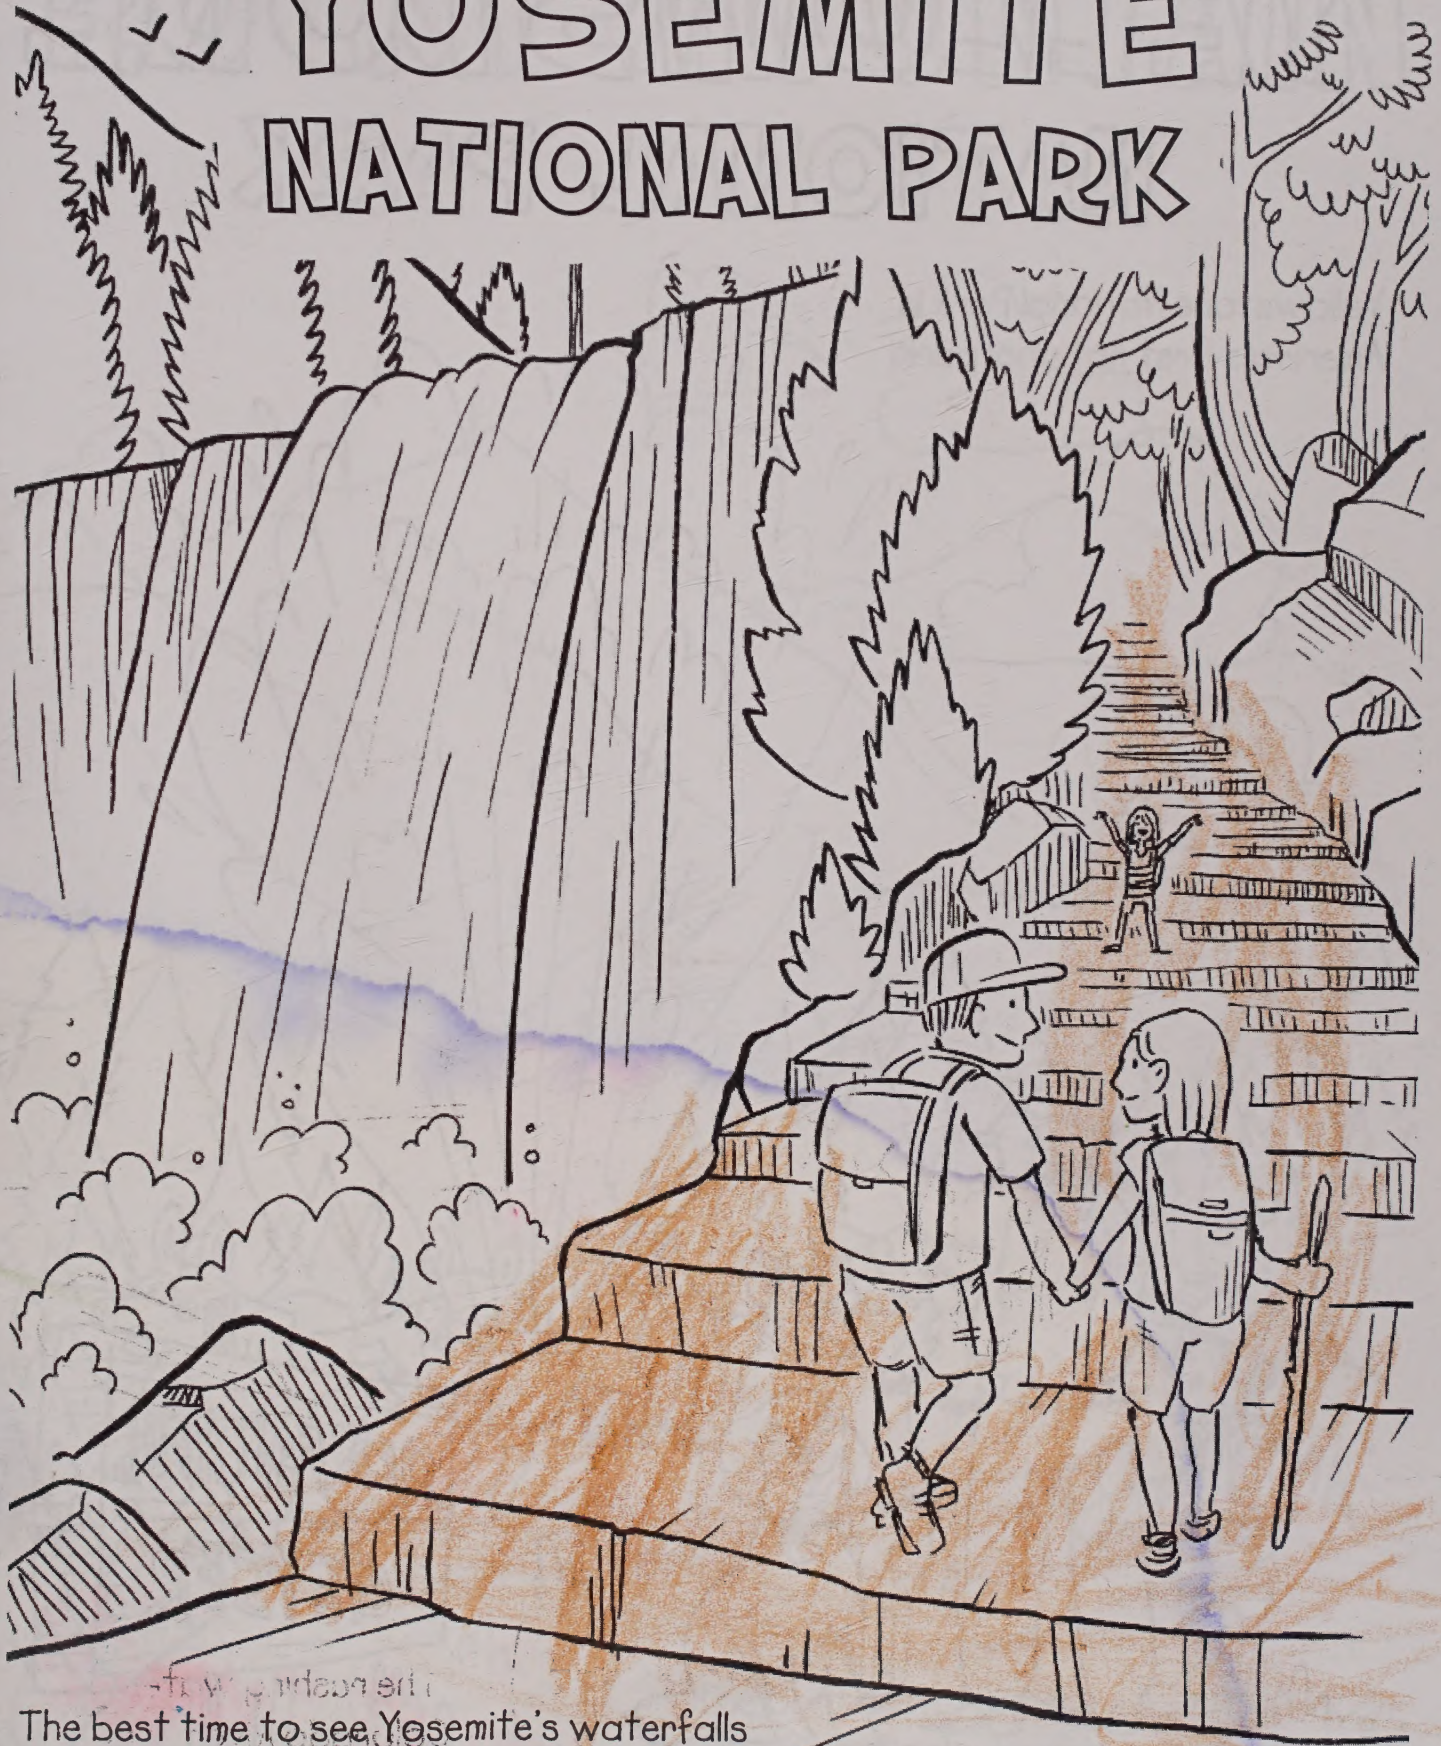

GRAND CANYON

NATIONAL PARK

The rushing waters of the Colorado River carved the
lovely wonderland here. Grand Canyon!

YOSEMITE NATIONAL PARK

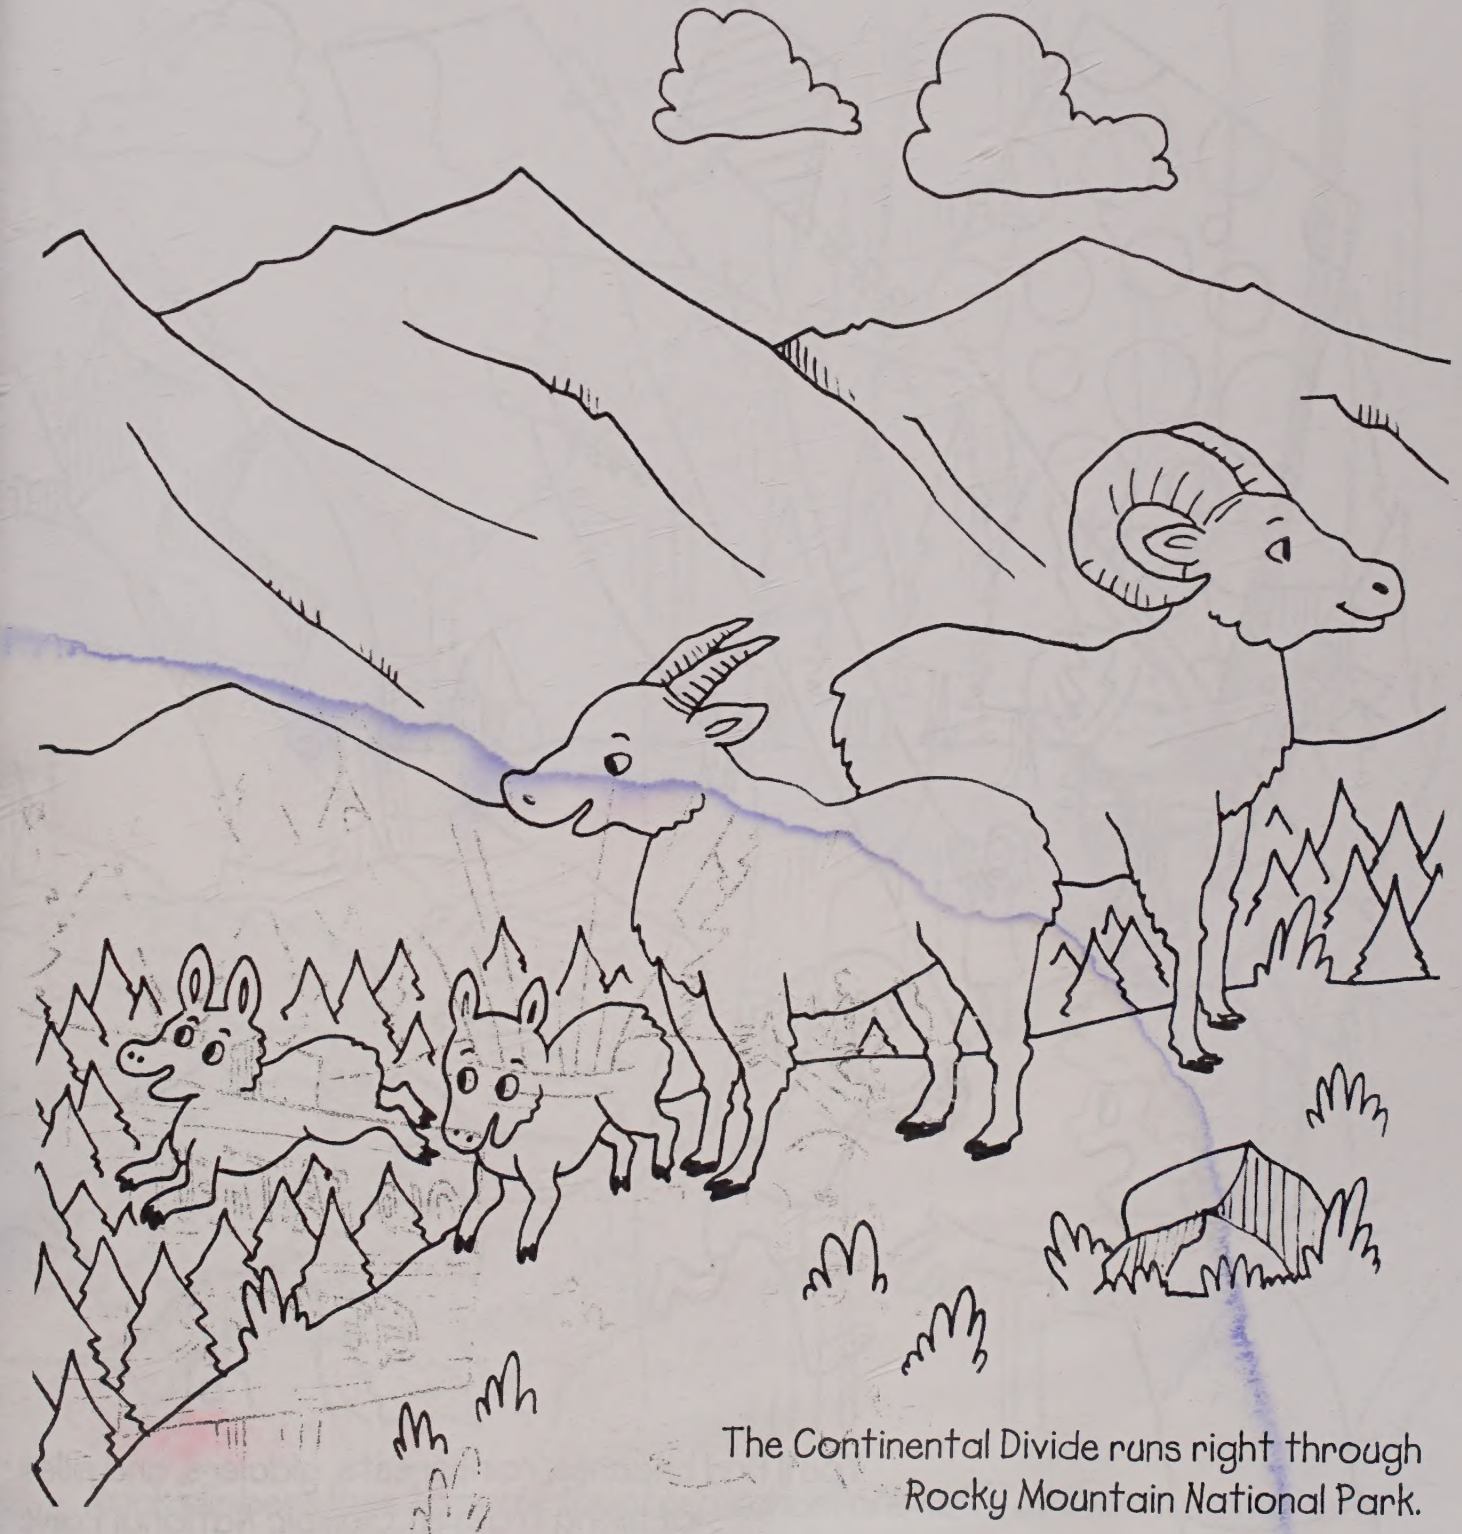

The best time to see Yosemite's waterfalls
is in the spring when the snow melts!

YELLOWSTONE NATIONAL PARK

Yellowstone National Park is
America's first national park!

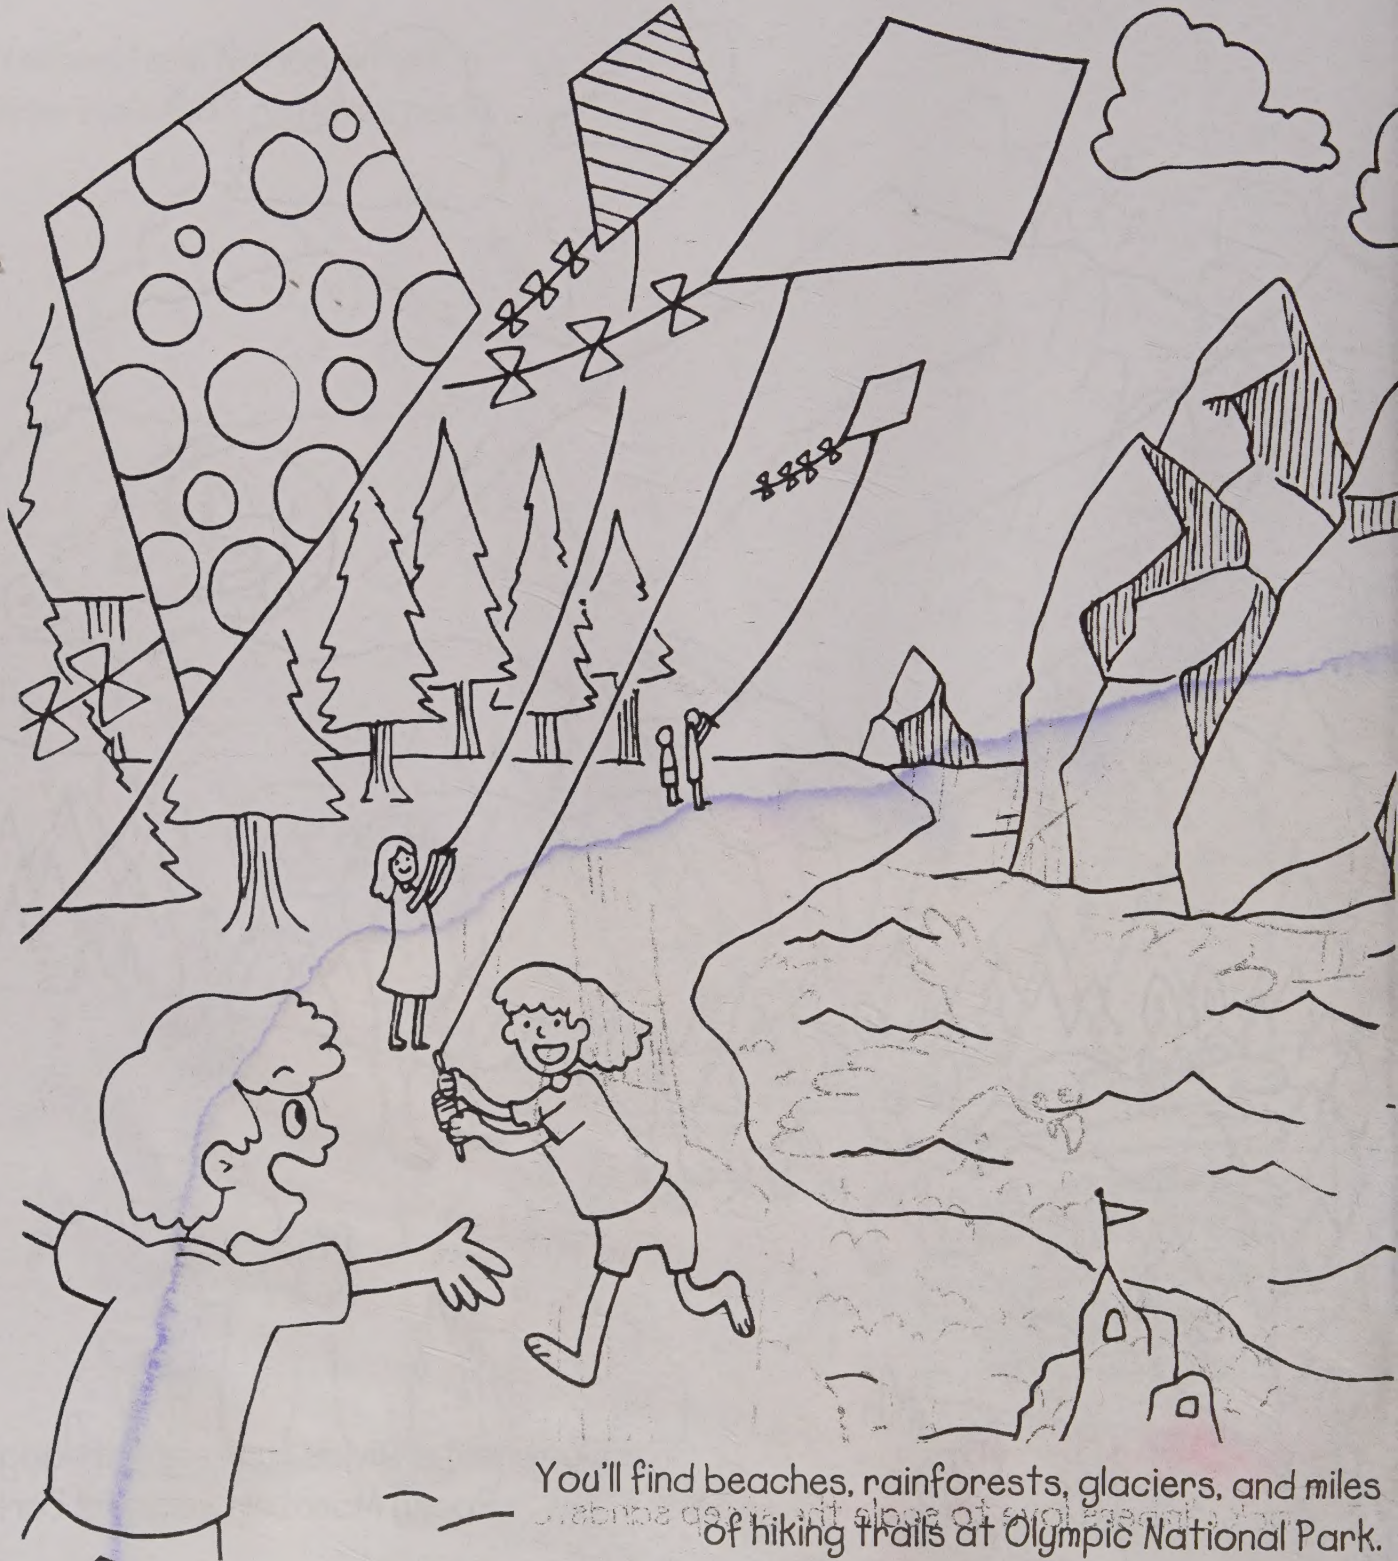

ROCKY MOUNTAIN NATIONAL PARK

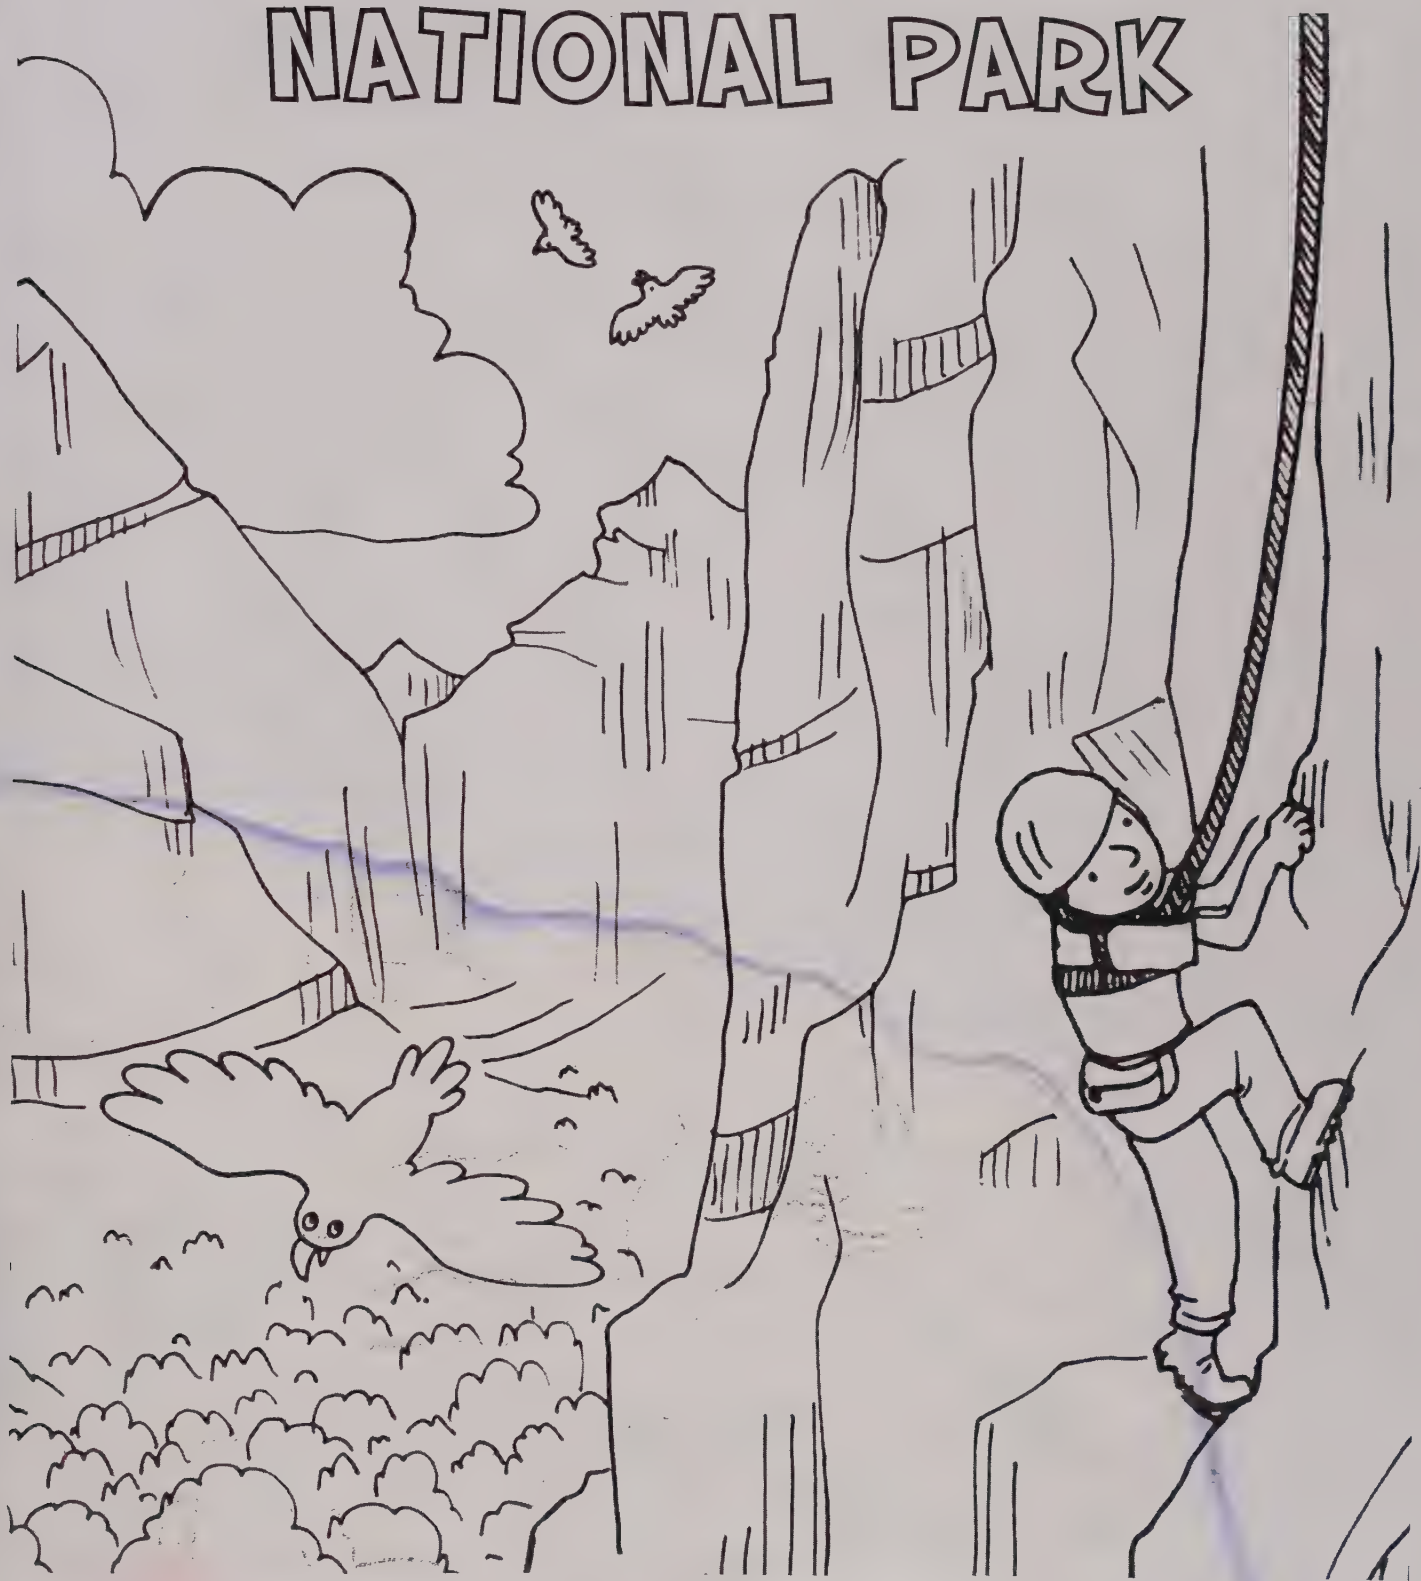

The Continental Divide runs right through
Rocky Mountain National Park.

OLYMPIC NATIONAL PARK

You'll find beaches, rainforests, glaciers, and miles
of hiking trails at Olympic National Park.

ZION NATIONAL PARK

Rock climbers love to scale the steep sandstone cliffs of Zion National Park!

GRAND TETON NATIONAL PARK

Jagged mountains rise nearly 7,000 feet in Grand Teton National Park!

ACADIA NATIONAL PARK

How many seagulls can
you find in the picture?

The light from Acadia's Bass Harbor Head Light
can be seen for miles out to sea.

GLACIER NATIONAL PARK

Grizzly bears wander among the mountains, meadows,
and glaciers of Glacier National Park.

JOSHUA TREE NATIONAL PARK
